

## **How can I help myself and the Angus Foundation?**

The Angus Foundation and all that it does to support youth, education and research, would not be possible without many generous supporters. The donors below contributed more than \$100 during the 2003 fiscal year.

In addition to the supporters listed below, the Angus Foundation would like to recognize and thank the following for in-kind donations: American Live Stock Insurance; Lathrop Livestock Transportation; Trans Ova Genetics; Merial; Genex; American Angus Association Angus Information Management Software (AIMS); and Angus Productions Inc.
